

Prosciutto-Goat Cheese Asparagus Bundles

This is a super simple way to dress up asparagus for your next dinner.

Ingredients

Asparagus
Cream Cheese
Goat Cheese
Prosciutto or Speck

There are no amounts given because this can be done for as few or as many as you need.

Preparation

Clean and trim your asparagus. Set aside. Blend together equal parts goat cheese and cream cheese in a small bowl. Set aside. Lay out slices of prosciutto or speck. Spread a dollop of cheese mixture onto ham then roll 4-5 asparagus spears around the cheese and meat. Place each bundle on a baking sheet pan and roast for 10 minutes in a 400-degree oven or until asparagus is cooked to your liking.

That is it.
