

# Wine Concierge and Consultancy

**Knowledge. Convenience. Service.**  
**Access to our winery and retail partners.**

Thank you for your inquiry regarding membership in SC2RW Concierge and Consultancy Services. This document provides the basic information about the service. More detailed information can be found in our e-brochure.

Our Wine Concierge & Consultancy is a membership-based service that brings you the wines you love without the hassle. As a WSET Level 2 with Distinction Awardee in Wines and Spirits, Rick will utilize his knowledge in viticulture and enology to bring to you what you love and do the work for you. Our goal is designed to take the headache and hassle out of wine selection and shopping -- saving you both time and frustration.
